

T&C APPLIED

THE SMALL PRINT CAN MEAN BIG
PROBLEMS

Problem

Problem 1

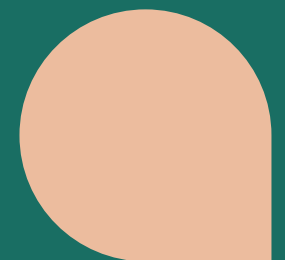

PEOPLE GETTING TRAPPED IN AMBUSH OF FAKE WEBSITES AND APPLICATIONS

Problem 2

LACK OF LAWFUL ACTION DUE TO ACCEPTANCE OF INAPPROPRIATE STATEMENTS

Problem 3

USAGE OF PERSONAL DATA IN INAPPROPRIATELY

Solution 1

Providing a better summarized form of the usual lengthy terms and conditions you accept blindly

Solution 2

Saving people from any further frauds and misleading apps/websites

The Solutions

Now how are we going to solve it

Product or Service

With Terms & Conditions getting longer everyday, it's easy to just click **ACCEPT**. But you should know what you're really agreeing to. **T&C Applied** covers some of the fundamental things that you should, at the very least, check before accepting.

Timing

In this era with a boom of new upcoming startups and ventures cyber issues are also at peak.

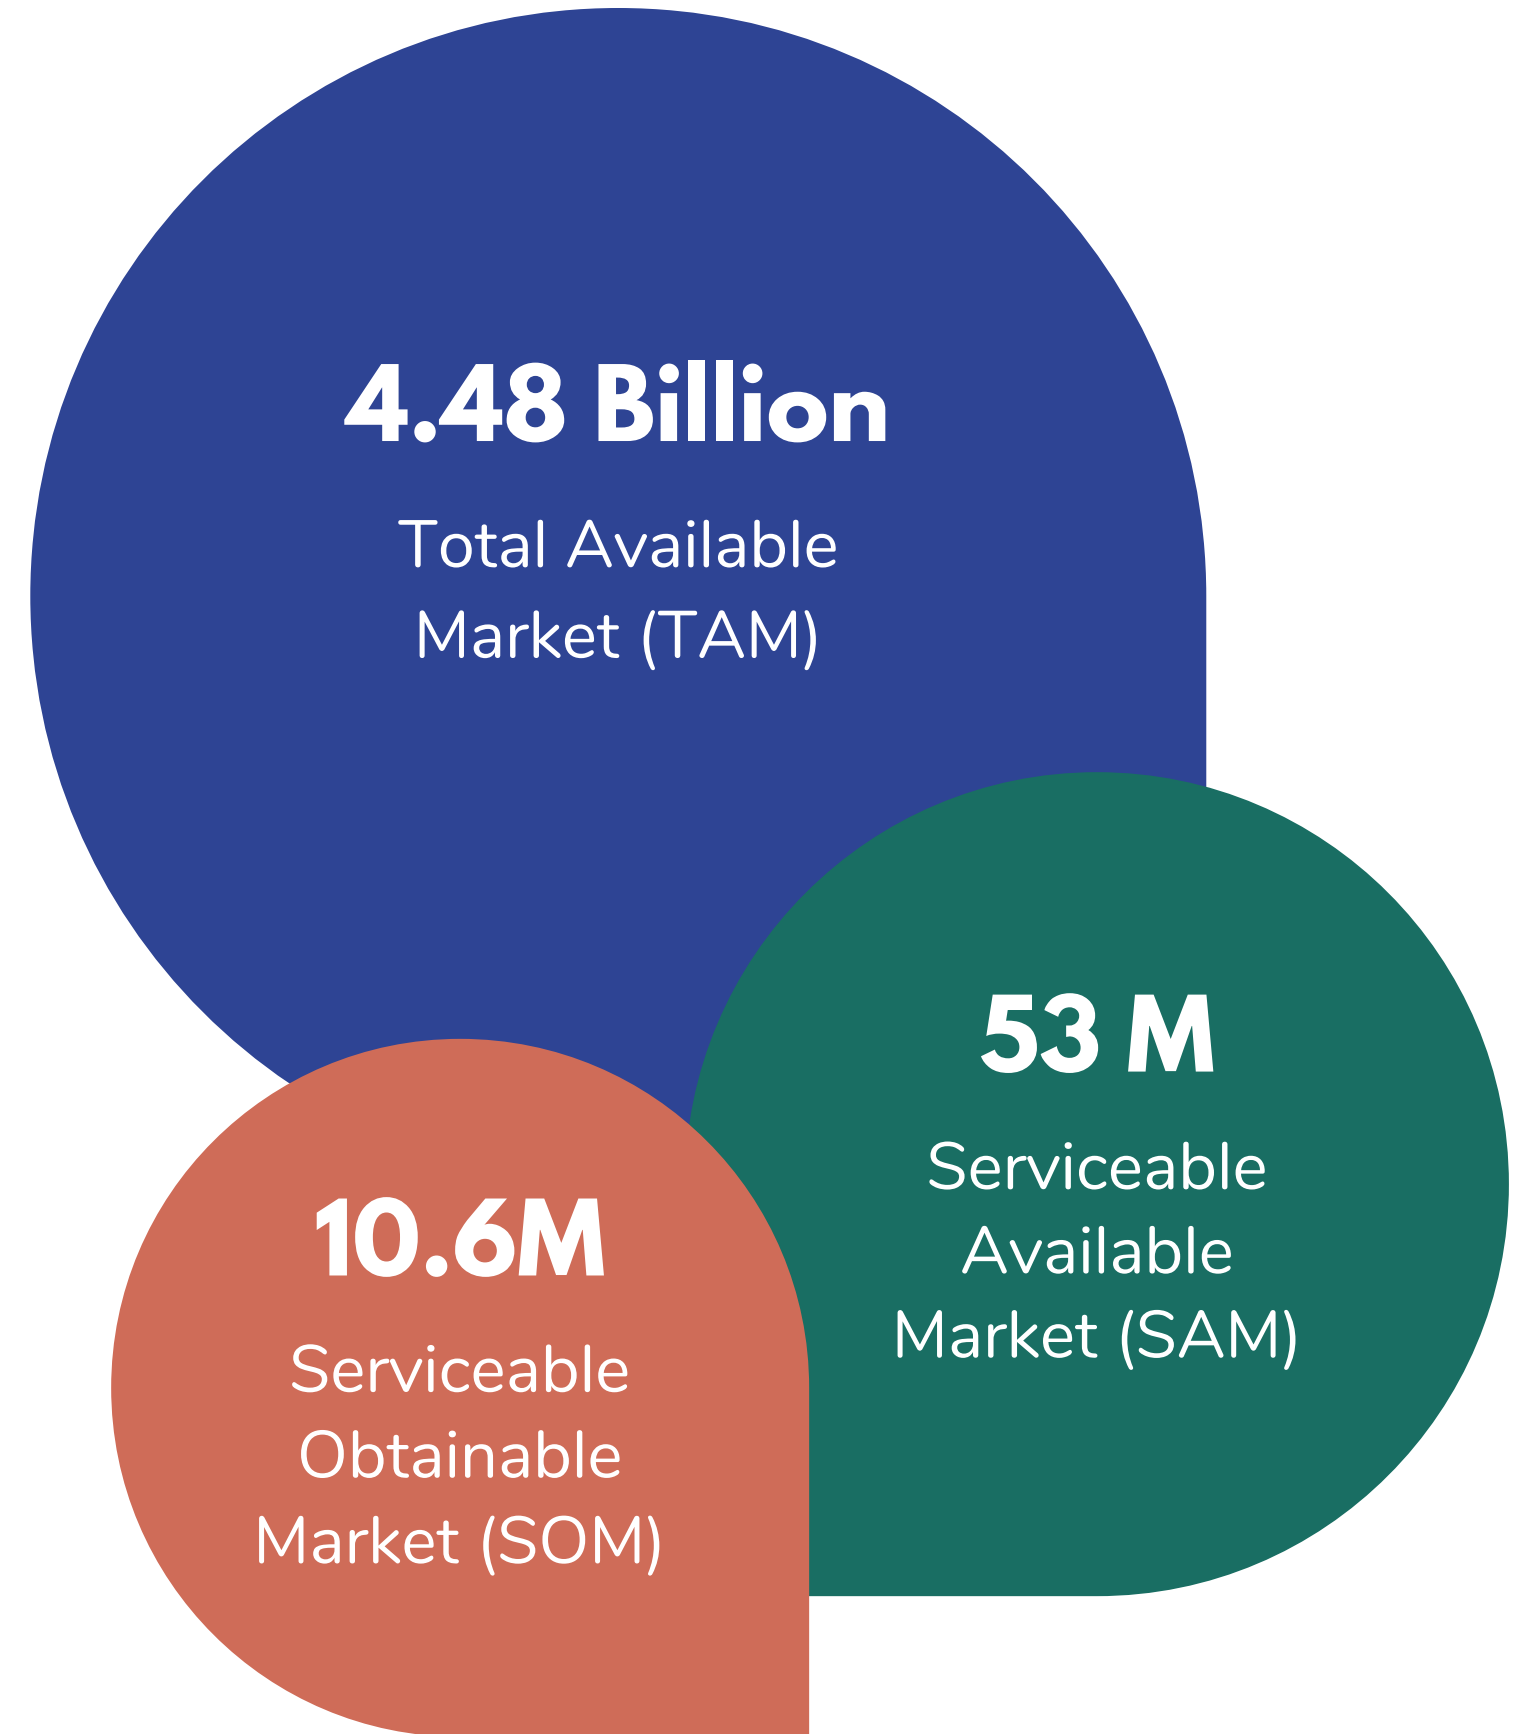

Reason 1

Everything nowadays from food to clothing is bought online which hides the crucial text known as terms and conditions.

Reason 2

Next time you sign up for something, use T&C Applied to make sure you've protected yourself and are not giving away something you wish you hadn't.

Size of the market

Competitive Advantage

Advantage 1

There is a chrome extension that gaurantees a similar work but is inefficient and also not true to it's words

Advantage 2

Even we saw a tough competition which was later found out not to be automated and rather a review system based on reviews of attorneys who read the
